## **INTRODUCTION**

Scouting happens principally in Scout Groups and District Venture Scout Units, wherever boys meet to enjoy the Scout programme. The function of all the other units in the Movement is to enhance the quality of provision of that programme at local level.

With approximately 50 Scout Groups on the island, a support structure is clearly necessary. The main purpose of *Regulations and Rules of the Barbados Boy Scouts Association* is to explain as simply as possible how that structure is organised.

It is impossible to set out in detail rules to cover every eventuality, which means that much depends upon the judgement of responsible people at every level of the Movement.

It is important that everyone concerned strives to exercise that judgement in ways that encourage the development and growth of the Movement.

Regulations and Rules (R&R) lays down the structure of Scouting in Barbados and defines information about its training and management. Each Rule is distinguished by a Rule number, which references the Chapter in which it is located. Matters of policy, information and advice on good practice are generally unnumbered.

Policies are authoritative statements of principle governing the work of the Scout Movement. Rules provide directives, which must be followed by all to whom the Rule is addressed.

There are many opportunities for local decisions to be made under a wide range of headings. The devolution of authority to Districts and Groups is clearly indicated where appropriate.

It is important that the exercise of that authority is not frustrated by the imposition of local rules. It must also be noted that the law of the land is paramount.

Information provides a statement of fact, which does not require action on the part of the reader.

It is recognised that some matters may be difficult to follow in certain circumstances. For example, in some Groups, where numbers of supporters may be small, it may not be possible to constitute Group Councils and Group Executive Committees exactly as the Rules require.

However, many years of experience have dictated what is good practice and what works well, and wherever advice is given it should be followed if at all possible.

**Note:** Policies, structures, regulations and/or rules which are printed in blue will take effect from the 31<sup>st</sup> January, 2022.

## **DEFINITIONS**

**The Programme** - describes the diverse and exciting selection of activities and experiences provided in the Sections for young people. It is based around three main themes: outdoor and adventure, world and skills. In each section a range of badges and awards are there to support all aspects of Scouting, including the three main themes as well as, leadership, teamwork and personal development. The Programme should be delivered in a balanced way that incorporates elements from each theme. The Programme is designed to be progressive through the sections to offer young people an appropriate level of challenge.

The Programme in Scouting has a fundamental dimension, which determines how it is carried out. This is the Scout Programme Method:

- keeping the Promise and Scout Law
- community action
- having fun

- meeting new people, making friends and developing relationships
- spending time outdoors
- games, physical and adventurous activities
- design and creativity
- visits and visitors
- camps, sleepovers, international trips and other residential experiences
- working in small teams
- trying new things, and learning new skills
- teambuilding and leadership activities
- taking responsibility, giving ideas and opinions, making choices and decisions
- spiritual reflection
- finding out about themselves

A high-quality balanced programme is one that:

- Offers a balance of each of the challenge areas for the Section.
- Includes opportunities to achieve badges and awards such as activity badges, progressive challenge awards or staged activity badges.
- Enables all young people to achieve the highest Award of their Section.
- Provides opportunities for young people to influence the programme and provide feedback, and feedback is acted upon.
- Provides opportunities to engage with young people outside of their Section, such as attending District and national events or taking part in activities with other Sections.
- Provide opportunities to take part in activities away from the normal meeting place.
- Provide opportunities to engage with the local community.
- Offer opportunities to experience nights away.
- Be planned in advance by the Section's leadership team.
- Be delivered using a wide variety of methods
- Be delivered by adults or young people with the appropriate skills for the planned activities.

### **THE PURPOSE OF SCOUTING**

Scouting exists to actively engage and support boys in their personal development, empowering them to make a positive contribution to society.

### **THE VALUES OF SCOUTING**

As Scouts we are guided by these values:

**Integrity** - We act with integrity; we are honest, trustworthy and loyal.

**Respect** - We have self-respect and respect for others.

**Care** - We support others and take care of the world in which we live.

**Belief** - We explore our faiths, beliefs and attitudes.

**Co-operation** - We make a positive difference; we co-operate with others and make friends.

### **THE SCOUT METHOD**

Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and:

- enjoy what they are doing and have fun
- take part in activities indoors and outdoors
- learn by doing
- share in spiritual reflection
- take responsibility and make choices
- undertake new and challenging activities
- make and live by their Promise.

### THE SCOUT PROMISE

(for Scouts, Venture Scouts and adults)

On my honour, I promise that I will do my best,  
To do my duty to God and my Country,  
To help other people, and  
To keep the Scout Law.

### THE SCOUT LAW

1. A Scout is to be trusted.
2. A Scout is loyal.
3. A Scout's duty is to be useful and to help others.
4. A Scout is a friend to all and a brother to every Scout.
5. A Scout is courteous.
6. A Scout is kind to animals.
7. A Scout is obedient to those in authority.
8. A Scout is cheerful especially in the face of difficulty.
9. A Scout is thrifty.
10. A Scout is clean in thought, word and deed.

### THE CUB SCOUT PROMISE

I Promise to do my best,  
To do my duty to God and my Country,  
To help other people, and  
To keep the Cub Scout Law.

### THE CUB SCOUT LAW

A Cub Scout always does his best,  
Thinks of others before himself, and  
Does a good turn every day.

### THE BEAVER SCOUT PROMISE

I promise to do my best,  
To be kind and helpful, and  
To love God.

### THE BEAVER SCOUT LAW

There is no formal Beaver Scout Law. The concepts expressed in the Scout Law are to be presented to Beaver Scouts through games, storytelling, and other informal activities.

### RULE 1.1 VARIATIONS TO THE WORDING OF THE PROMISES

- (a) Scouting is open to people of all faiths and must therefore take account of the different religious obligations of its Members while upholding the essential spirit of the Promise.
- (b) The following table shows the alternative wording of the Promise that young people and adults may wish to use to best reflect their own beliefs.

Religion or Belief	Beaver Scout Promise	Cub and Scout Promise
Christian, Jew, Sikh	...to love God	...duty to God,...
Muslim	N/A  ...to love God or ...to love Allah	On My honour... or In the name of Allah, the Most Beneficent the Most Merciful...  ...duty to God,... or ...duty to Allah,...
Hindu	...to love God or ...to love my Dharma	...duty to God,... or ...duty to my Dharma,...

- (c) Where some other form of wording is required for a member of a particular faith or religion advice should be sought from Scout Headquarters.
- (d) Similarly, it is accepted that foreign residents who may become Members of the Association owe allegiance to their own country. To meet these circumstances the phrase 'my Country' should be replaced by the phrase 'and the country in which I am now living'.
- (e) In the case of young people, the decision as to which permitted form of wording should be used rests with them, however in the younger Sections parents should be aware of the Promise chosen before the investiture ceremony.
- (f) In the case of adults, the decision as to which permitted form of wording should be used rests entirely with the adult concerned.

#### **THE RELIGIOUS POLICY**

The Barbados Boy Scouts Association includes Members of different faiths and religions. All Members of the Association are encouraged to:

- make every effort to progress in the understanding and observance of the Promise to do their best to do their duty to God;
- explore their faith, beliefs and attitudes;
- consider belonging to some faith or religious body;
- carry into daily practice what they profess.

#### **Attendance at Services**

If a Scout Group or District Venture Scout Unit is composed of members of several denominations, religions or beliefs, the young people should be encouraged to attend services relevant to their own form of religion or belief.

#### **Chaplains**

Chaplains may be appointed as Advisers in Scout Groups, Districts and Nationally. A Chaplain may be a Minister of Religion or a lay person.

In a Scout Group sponsored by a religious body the religious leader may be appointed Group Chaplain.

National Chaplains may be appointed for religious bodies represented in Scouting.

## **RULE 2.1 RESPONSIBILITIES WITHIN THE RELIGIOUS POLICY**

- (a) The District Commissioner or the Chief Commissioner, as appropriate, must be satisfied that all applicants for Leader or Commissioner appointments are fully aware that they will be required by their personal example to implement the Association's religious policy.
- (b) If a Sponsored Group has a policy of recruitment restricted to members of one particular form of religion or denomination, the Sponsoring Authority is responsible for the religious training of all young people in the Group.
- (c) In this case it is the duty of the Group Scout Leader to encourage attendance at such religious instruction and observances as the Sponsoring Authority may consider desirable.
- (d) Scouts' Own Services may be held for the purpose of spiritual reflection and to promote a fuller understanding of the significance of the Scout Promise and Law.
- (e) Such services must be regarded as supplementary to, rather than a substitute for, formal attendance at the services of the individual's own form of religion.
- (f) If a Beaver Scout, Cub Scout, Scout or Venture Scout is not allowed, by reasons of the individual's own religious obligations, to attend acts of worship other than that of the individual's own faith, the Leader must make certain that those obligations are not compromised.

## **THE EQUAL OPPORTUNITIES POLICY**

### **Youth Members**

The Barbados Boy Scouts Association is part of a worldwide educational youth movement. The values, which underpin and inspire its work are embodied in the Scout Promise and Law and in the Purpose of the Association.

Within this framework, the Association is committed to equality of opportunity for male youth.

Accordingly:

- (a) The Association is committed to extending Scouting, its Purpose and Method to male youth in all parts of society.
- (b) No male youth should receive less favourable treatment on the basis of, nor suffer disadvantage, harassment or discrimination by reason of:
  - Class or socio-economic status;
  - ethnic or national origin, nationality (or statelessness) or race;
  - marital or civil partnership status;
  - disability;
  - political belief;
  - religion, belief or faith;
  - age.

All Members of the Movement should seek to practise equality, especially in promoting equal access to Scouting for all male youth. The Association opposes all forms of prejudice and discrimination. All Scout Groups, as affiliates, have a duty to comply with relevant equalities legislation. All volunteers should make reasonable adjustments where possible to support all young people with disabilities to access Scouting.

## Reasonable Adjustments

Reasonable adjustments mean actions to enable young people with disabilities to access Scouting and Scouting activities, as far as reasonably possible, to the same level as young people without disabilities. This should involve working in partnership with parents/carers, to identify needs and support strategies. Reasonable steps should also be taken to identify any young people with disabilities in the Section/Group.

(See Rule 3.10a for further guidance around reasonable adjustments).

## LEADERS AND OTHER VOLUNTEERS

To carry out its work the Association seeks to appoint effective and appropriate Leaders, of all backgrounds and all areas of the community, and to involve other volunteers in supporting roles, all of whom are required to accept fully the responsibilities of their commitment.

The overriding considerations in making all appointments in Scouting shall be the safety and security of young people, and their continued development in accordance with the Purpose and Values of the Association.

Accordingly, all those whom the Movement accepts as volunteers must be appropriate persons to undertake the duties of the particular position to which they have been appointed (including, if relevant, meeting the requirements of the Sponsoring Authority) and, where appropriate, the responsibilities of membership.

In making an appointment to a particular leadership or support position it may be appropriate to consider the gender and/or ethnicity of the potential appointee, in particular to ensure appropriate composition of leadership or supporting teams.

The physical and mental ability of a particular potential appointee to fulfil a particular role will always be a relevant factor to consider.

Within these constraints, and those imposed by the need to ensure:

- the safety and security of young people;
- the continued development of young people; and
- equal opportunities for all;

No person volunteering their services should receive less favourable treatment on the basis of, nor suffer disadvantage, harassment or discrimination by reason of:

- age;
- class or socio-economic status;
- ethnic or national origin, nationality (or statelessness) or race;
- marital or civil partnership status;
- disability;
- political belief;
- pregnancy and maternity;
- religion, belief or faith;
- sex.

Note: Sexual feelings directed towards children and/or a sexual interest in children is a bar to any involvement in the Scout Movement.

## **RULE 2.2 RESPONSIBILITIES WITHIN THE EQUAL OPPORTUNITIES POLICY**

All adults in Scouting have a responsibility for the operation of the Association's Equal Opportunities Policy. All Scout Groups, as affiliates, have a duty to comply with relevant equalities legislation.

- (a) The District Commissioner or the Chief Commissioner, as appropriate, must be satisfied that all applicants for Leader or Commissioner appointments are fully aware that they will be required by their personal example to operate the Association's Equal Opportunities Policy and support Groups to comply with relevant equalities legislation.
- (b) They must also be satisfied that all those whom they invite to assist them in other ways in the work of the District or Scout Headquarters are upholding the Association's Equal Opportunities Policy by the personal example that they set before the Scouts in the District or at Scout Headquarters as the case may be.
- (c) Group Scout Leaders must be satisfied that all those whom they invite to assist them in the work of the Group will comply with relevant equalities legislation and uphold the Association's Equal Opportunities Policy by the personal example that they set before the Scouts in the Group.
- (d) The District Executive or the National Executive Committee, as appropriate, must be satisfied that all applicants for appointments in their gift are fully aware that they will be required by their personal example to operate the Association's Equal Opportunities Policy and support Groups to comply with relevant equalities legislation.

## **THE SAFETY POLICY**

It is the policy of the Barbados Boy Scouts Association to provide Scouting in a safe manner without risk to health, so far as is reasonably practicable.

The Association believes that this responsibility ranks equally with the other responsibilities incumbent upon those providing Scouting activities and functions.

It is the responsibility of all those involved in Scouting to seek, so far as is reasonably practicable, to ensure that:

- all activities are conducted in a safe manner without risk to the health of participants;
- the provision and maintenance of equipment and buildings for Members and others is safe and without risk to health and adequate for their welfare;
- information, instruction, training and supervision is provided with the object of ensuring the health and safety of all those involved in Scouting activities or who may be affected by them;
- appropriate arrangements are made to ensure safety and the absence of risks to health in connection with the use, transport, storage and handling of equipment, and substances which are inherently or potentially dangerous.

## **RULE 2.3 RESPONSIBILITIES WITHIN THE SAFETY POLICY**

- (a) All persons involved with Scouting are responsible for the operation of the Association's Safety Policy.
- (b) It is the responsibility of all persons to ensure that:
  - they do not endanger the health and safety of themselves or others;
  - they observe the rules established for the safety of those involved in Scouting activities.
- (c) The Local responsibility for the management of the Safety Policy of the Association rests with the appropriate National, District or Group Executive Committee together with the appropriate

Chief Commissioner, District Commissioner or Group Scout Leader.

- (d) The District or Chief Commissioner, as appropriate, must be satisfied that all applicants for adult appointments are fully aware that they will be required by their personal example to implement the Association's Safety Policy.
- (e) Group Scout Leaders must be satisfied that all those whom they invite to assist them in the work of the Scout Group are competent persons to carry out the tasks given to them and are aware of their responsibilities under the Association's Safety Policy.
- (f) When District or Chief Commissioners do not renew, or when they cancel appointments because the holder has not acted in accordance with the Association's Safety Policy, they must inform the Vetting Team at Scout Headquarters, in writing, of the reasons for the termination of the appointment.

## THE VETTING POLICY

It is the policy of the Barbados Boy Scouts Association to check all adult volunteers to ensure that: only adults appropriate for a role are permitted to undertake responsibilities in Scouting; and that regular reviews are undertaken of adult volunteers to ensure their continued suitability.

Accordingly, the Barbados Boy Scouts Association is committed to:

- Following a defined process for appointing adult volunteers that establishes the applicant's suitability taking into account the fundamentals of Scouting; the Child Protection Policy, Anti-Bullying Policy, Safety Policy and the Equal Opportunities Policy;
- Refusing offers from applicants that are found to be unsuitable;
- Putting in place robust vetting arrangements and ensuring that these arrangements are made clear to applicants and to the public;
- Taking into account relevant information from the Association's records, police forces, relevant statutory authorities, personal references and other credible sources.

As part of the vetting arrangements, the Association will undertake a **Personal Enquiry** which involves a check made against records at Scout Headquarters for all adult volunteers and for certain roles a Criminal Record Check. For foreign nationals, checks must be made according to arrangements authorised by the [Head of Safeguarding](#) at Scout Headquarters.

## THE CHILD PROTECTION POLICY

The Barbados Boy Scouts Association acknowledges the duty of care to safeguard and promote the welfare of children and young people and is committed to ensuring safeguarding practice reflects statutory responsibilities, government guidance and complies with best practice.

This policy:

- (a) applies to all adults including the National Executive Committee, volunteers, paid staff, agency staff and anyone working on behalf of the Barbados Boy Scouts Association;
- (b) recognises that the welfare and interests of children and young people are paramount in all circumstances; and
- (c) aims to ensure that all children and young people have a positive and enjoyable experience of Scouting in a safe and child centred environment and are protected from abuse whilst participating in Scouting and otherwise.

The Association acknowledges that some children and young people, including those disabled and those from ethnic minority communities, can be particularly vulnerable to abuse and accepts the responsibility to take reasonable and appropriate steps to ensure their welfare.

The Association will:

1. promote and prioritise the safety and wellbeing of children and young people;
2. ensure that everyone is clear about their roles and responsibilities in respect of safeguarding and is provided with appropriate mandatory learning opportunities to recognise, identify and respond to signs of abuse, neglect and other safeguarding concerns relating to children and young people;
3. provide all children and young people on joining the organisation with information for themselves and their parents or carers covering the Association's safeguarding arrangements;
4. widely promote the Association's safeguarding policies and procedures;
5. ensure that trustees, staff and volunteers take seriously all concerns and allegations of abuse and respond appropriately;
6. securely maintain and store confidential, detailed and accurate records of all safeguarding concerns;
7. prevent the use of unsuitable individuals through the application of best practice in the safe recruitment of staff and volunteers working with children and young people;
8. ensure that robust safeguarding arrangements and procedures are in operation; and
9. address without delay any failure to comply with this policy.

### **Monitoring**

This policy will be reviewed annually and revisions recommended to the National Executive Committee. This policy may also be reviewed in the following circumstances:

- changes in legislation or government guidance (including relevant legislative changes and nation specific child protection and safeguarding policies and procedures);
- in the light of learning identified by the Child Care Board and other agencies responsible for safeguarding children; and
- as a result of any other significant change or event.

### **RULE 2.4 RESPONSIBILITIES WITHIN THE CHILD PROTECTION POLICY**

- (a) All adults aged 18 or over within Scouting are responsible for the operation of the Association's Child Protection Policy.
- (b) It is the responsibility of all adults to ensure that:
  - their behaviour is appropriate at all times;
  - they observe the rules established for the safety and security of young people;
  - they follow the procedures following suspicion, disclosure or allegation of child abuse;
  - they recognise the position of trust in which they have been placed;
  - in every respect, the relationships they form with the young people under their care are appropriate.
- (c) The *Young People First Information Card* sets out a Code of Behaviour, which is essential for all adults in Scouting to follow. Adults who fail to implement the Code of Behaviour or procedures issued by Scout Headquarters may have the matter drawn to the attention of the relevant Commissioner who must take appropriate disciplinary action.
- (d) Adults must not consume alcohol when they are directly responsible for young people on a Scouting activity and must not permit young people (aged under 18 years) to consume alcohol on Scouting activities. The Association issues further advice on Alcohol and Scouting, which is available from Scout Headquarters.

- (e) The use of illegal substances on Scouting activities is unacceptable and appropriate action should be taken where necessary by responsible Commissioners.
- (f) Scout Headquarters must designate one or more Safeguarding Awareness Co-ordinators. Safeguarding Awareness Co-ordinators must undertake mandatory training as described in "R&R Chapter 15". They shall have the responsibility of advising the Chief Commissioner and the National Executive Committee on the implementation of the Association's Child Protection and Anti Bullying Policies within the Association. They shall also have a specific remit for monitoring compliance with these policies within the Association and reporting their findings to the National Executive Committee and Scout Headquarters.
- (g) Safeguarding Awareness Co-ordinators shall provide general guidance to the various Districts and Groups but should not be involved in responding to allegations or suspicions of abuse.
- (h) The role of Safeguarding Awareness Co-ordinator must not be combined with an appointment as a Group Scout Leader or Commissioner.
- (i) The Head of Safeguarding at Scout Headquarters is the Association's ultimate source of advice on all safeguarding matters, subject to any direction from the relevant sub Committee.
- (j) The District Commissioner or the Chief Commissioner, as appropriate, must be satisfied that all those whom they appoint are:
- appropriate persons to carry out the responsibilities of the appointment, and
  - if required, maintain a current valid disclosure.
- They must ensure that all applicants demonstrate an understanding of and a commitment to the principles and procedures supporting the Association's Child Protection Policy.
- (k) Group Scout Leaders must be satisfied that all those whom they invite to assist them in the work of the Scout Group are:
- appropriate persons to carry out the tasks to be given to them,
  - are aware of their responsibilities under the Association's Child Protection Policy and
  - if required, maintain a current valid disclosure.
- (l) In cases where there is an allegation or suspicion of child abuse the District Commissioner or Chief Commissioner, as appropriate, must immediately take steps to ensure that no Scouting situation arises which could cause further concern and that no adult or youth Member is placed in a position which could cause further compromise. To this end, suspension of membership may be necessary
- (m) Scout Headquarters may, from time to time, issue procedures detailing the reporting arrangements for suspicions or allegations of abuse. Group Scout Leaders and relevant Commissioners must follow these procedures.
- (n) The Safeguarding Team at Scout Headquarters has a remit to advise Commissioners of the actions required in the event of a suspicion or allegation of abuse. The Safeguarding Team has certain legal and regulatory obligations that all members of Scouting must assist in meeting as required. The Head of Safeguarding may issue mandatory advice regarding the management of such situations.
- (o) Commissioners must consult the Safeguarding Team at Scout Headquarters as soon as possible in the event of any incident, concern or allegation of abuse being made. In any event this must occur within 24 hours of the incident being reported.
- (p) Scout Headquarters may appoint a situation manager to be responsible for the Association's response to any allegation or suspicion of abuse. Situation managers appointed by Scout Headquarters shall have full powers to act.

- (q) Where urgent issues of safeguarding are involved the Chief Commissioner has the authority to suspend the membership of any adult or youth Member.
- (r) The suspending authority must ensure that the Vetting Team at Scout Headquarters is informed immediately.
- (s) When District or Chief Commissioners do not renew, or when they cancel appointments because the holder has not acted in accordance with the Association's Child Protection Policy, or has breached the code of behaviour, set out in the *Young People First Information Card*, they must inform the Vetting Team at Scout Headquarters in writing of the reasons for the termination of the appointment.
- (t) Nothing in the rules of the Association, or any guidance produced by it, may be construed as permitting an adult to take a young person away on an activity alone. No activity may take place where only one adult and one young person are present.

### ANTI-BULLYING POLICY

"Children have the right to protection from all forms of violence (physical or mental). They must be kept safe from harm and they must be given proper care by those looking after them." [The United Nations Convention on the Rights of the Child, Article 19]

The Barbados Boy Scouts Association is committed to this ethos and seeks to ensure, as far as is reasonably practicable, the prevention of all forms of bullying among Members. To this end all Scouting activities should have in place rigorous anti-bullying strategies.

### RULE 2.5 RESPONSIBILITY WITHIN THE ANTI-BULLYING POLICY

It is the responsibility of all adults in Scouting to help develop a caring and supportive atmosphere, where bullying in any form is unacceptable.

Adults in Scouting should:

- be aware of the potential problems bullying may cause;
- be alert to signs of bullying, harassment or discrimination;
- take action to deal with such behaviour when it occurs, following Association policy guidelines;
- provide access for young people to talk about any concerns they may have;
- encourage young people and adults to feel comfortable and caring enough to point out attitudes or behaviour they do not like;
- help ensure that their Group/Section has a published anti-bullying code.

### DEVELOPMENT POLICY

Subject to the Rules governing age ranges and membership the Scout Movement is open to all male youth of whatever background.

The Barbados Boy Scouts Association recognises, however, that access to Scouting is not equally available to all groups and communities across society as a whole.

The *Operations sub-Committee of the National Executive Committee and the National Services Team* at Scout Headquarters support the Movement in its work in making Scouting available to all.

In particular, through the use of innovation and experiment, it supports local Scouting in meeting the needs of young people in areas of urban disadvantage or priority, in highly rural areas, and among the minority ethnic communities.

It also works in collaboration with other agencies to support those disadvantaged young people who

might benefit from its programme and ethos, and who may never become full Members of the Movement.

The [National Services Team](#) supports local Scouting in a number of different ways:

- through the production and distribution of development material;
- through the sharing of experience and models of good practice;
- through support and advice from Scout Headquarters staff, volunteer and professional;
- through recommendations to the [National Development Grants Board](#) for financial support.

Those seeking help in this field should contact [the National Services Team](#) at Scout Headquarters in the first instance.

## PRIVACY AND DATA PROTECTION POLICY

The Barbados Boy Scouts Association takes the protection of privacy and personal data very seriously and all adults operating within Scouting, whether at Scout Headquarters or within local Scout units (i.e. Scout Groups or Districts), must comply with data protection laws.

(The [Information Sheet \*The Association's Data Protection Policy\*](#) provides key definitions, details of how it protects personal information and also guidance to staff, members and volunteers about how to deal with personal information they handle).

### RULE 2.6 RESPONSIBILITIES WITHIN THE PRIVACY AND DATA PROTECTION POLICY

- (a) The Association at national level operates as a charity and each local Scout unit as an affiliate. Each collect and handles personal data and is responsible, as a separate data controller, for the personal data it collects and uses.
- (b) All adults in Scouting have a responsibility to comply with data protection law when handling or dealing with any personal data. However, ultimate responsibility for ensuring that adequate data protection systems are in place, lies with the relevant members as follows:
  - i. at national Scouting level, the National Executive Committee is responsible for ensuring that adequate data protection systems are in place in respect of the Barbados Boy Scouts Association based at "Hazelwood", Upper Collymore Rock, St. Michael; and
  - ii. at local Scouting level, the local Executive Committees are responsible for ensuring that adequate data protection systems are in place for their respective local Scout units.

- (c) Whilst the Executive Committees are responsible for ensuring that adequate data protection systems are in place, each adult operating within Scouting whether as staff, members or volunteers are also responsible for ensuring that they handle all personal data in compliance with those procedures and the law.

All adult Members and Associate Members of the Association are required to have at least one unique e-mail address (i.e. not one shared with another person or persons) recorded at Scout Headquarters. This unique e-mail address may be in addition to any shared email address, such as may be in place for shared roles.

This requirement is needed to ensure that each Member and Associate Member receives the information relevant to them, and (in line with the Data Protection and GDPR requirements) prevents them from receiving information intended for another individual.

- (d) In compliance with the relevant data protection laws, personal data in Scouting must be:
  - i. Processed lawfully, fairly and in a transparent manner.
  - ii. Clear and accessible information must be provided to individuals about what personal data is collected, how it will be processed and how they can exercise rights over it e.g. the right to request a copy of their personal data by making a request or to have

- incorrect data corrected or deleted. This information should be provided both at the initial point of contact in the form of a Privacy Statement or Notice and also be made regularly accessible to the individual.
- iii. Collected and processed for specified, explicit and legitimate purposes only
  - iv. Personal data should only be collected and used for activities directly relating to Scouting or a person's membership or association with Scouting;
  - v. Adequate, relevant and limited to what is necessary for the purposes it is collected and processed;
  - vi. Accurate and, where necessary, kept up to date. Every reasonable step must be taken to ensure that the data is kept as accurate and up-to-date as possible for the purposes for which it is being held;
  - vii. Kept for no longer than necessary for the purposes it was collected and processed;
  - viii. Kept secure using appropriate technical or organisational measures to prevent the data from being used in an unauthorised or unlawful way or against accidental loss, destruction or damage.
- (e) As data controllers, the Executive Committees are responsible for demonstrating compliance with the above principles.

Guidance on Sponsored Groups can be sought from Scout Headquarters.

- (b) The Group Scout Leader will generally delegate responsibility for admissions to the Leader in

charge of the Section concerned. This decision must be made in accordance with the Barbados Boy Scouts Association's Policies.

Such adults must have satisfactorily completed the Personal Enquiry process and have a FULL appointment.  
It is expected that this situation will only occur infrequently – if that is not the case the Group Scout Leader must take appropriate action to strengthen the Section Leadership team of the Colony.
- (g) Other than two adults being present there is no minimum ratio of adults to Beaver Scouts set for regular Colony meetings, but for all meetings and activities Leaders should assess the risk and arrange for sufficient adults (aged 18 or over) to ensure a safe environment for the operation of the Colony, which may vary depending on the programme.  
It is good practice to have a mixed leadership team.
- (h) The recommended minimum ratio both for outdoor activities held away from the usual meeting place and for nights away experiences is 1 adult to 6 Beaver Scouts plus the leader in charge. However, as a minimum, at least two adults must be present overnight. Only in the event of an emergency should an adult be alone overnight with young people on a nights away experience.

- (b) In a Sponsored Scout Group, the Sponsoring Authority must be consulted before any such dismissal takes place.

#### **RULE 14.11 APPEALS AGAINST DISMISSAL OF YOUTH MEMBERS (BEAVER SCOUTS, CUB SCOUTS, SCOUTS AND VENTURE SCOUTS)**

- (a) Any Beaver Scout, Cub Scout, Scout or Venture Scout who is dismissed has the right of appeal (with the aid of parents or guardians if so desired) to the District Commissioner.
- (b) If so requested by the person dismissed, the District Commissioner may appoint a committee to hear the appeal.
- (c) Reasonable opportunity must be given for the dismissed person to attend the meeting of such a committee to state a case against dismissal.
- (d) If the dismissal is from a Sponsored Scout Group or Venture Scout Unit, the Sponsoring Authority, who must have been consulted prior to dismissal has the right to attend and be heard by the committee.
- (e) Where the District Commissioner has been involved in the original decision to dismiss, the Chief Commissioner or his nominee will replace the District Commissioner for the purposes of any appeal.

#### **IMPORTANT NOTE**

This chapter describes the appointment process applicable to appointments in Districts and Groups.

The appointment to Headquarters roles is outlined in R&R Chapter 5. Broadly, the appointment process for Headquarters roles is similar to that described in this chapter.

## DEFINITIONS

### APPOINTMENTS:

<b>Appointment</b>	An adult role in Scouting which requires the adult appointment process as laid out in this document to be followed.
<b>Pre-provisional Appointment</b>	A new role starts with a Pre-Provisional Appointment status and is complete when the Appointments process is complete.
<b>Provisional Appointment</b>	This status reflects that completion of the Getting Started training requirements is a requirement for a role. If the Getting Started training requirements are not complete by the time that the Appointments process is complete, then the role status will change from pre-Provisional to a Provisional Appointment.
<b>Full Appointment</b>	An adult role in Scouting for which the holder has satisfactorily completed the adult appointment process and the associated Getting Started training requirements as laid out in this document.

### ROLES:

#### Section Leadership Team Roles

A Colony, Pack, Troop or Unit will have a Section Leadership Team (see Rules 3.6, 3.7, 3.8, 3.9 and 4.6) comprising:

<b>Section Leader</b>	An adult responsible for the supervision, planning and delivery of the programme for the Colony, Pack, Troop or Unit and the management of the Section. It is possible for this to be a role shared between two or more volunteers.
<b>Assistant Section Leaders</b>	One or more adults appointed to assist the Section Leader in all aspects of the role. It is good practice, but not necessary, to have one or more Assistant Section Leaders.
<b>Section Assistants</b>	One or more adults who assist the Section Leader in planning and delivering programmes to young people in the Movement.

Additionally, a Colony, Pack, Troop or Unit may use Helpers to assist delivery of the Section's programme:

<b>Helpers</b>	Additional adults (for example parents or subject experts from the community) may be used on a regular or occasional basis to support the delivery of the programme. The Personal Enquiry and Criminal Record Check requirements detailed in Rule 3.22b, and 4.20b must apply wherever applicable for these adults.  A person who requires a Personal Enquiry [Rules 3.22, and 4.20] and who does not have an active role on record at Scout Headquarters that includes a Criminal Record Check must be recorded at Scout Headquarters.
----------------	---

## Manager Roles

A Group, District or Headquarters will be led and managed by a team comprising:

<b>Managers</b>	An adult appointed in the Movement who is the line manager for adults within the Movement and does not normally directly deliver programmes to young people, as defined by the role description. The roles include Group Scout Leader, District Commissioner, Chief Commissioner.
-----------------	--

## Support Roles

Delivery of Scouting is supported by adults with a variety of roles:

<b>Administrator</b>	An adult appointed in the Movement to carry out administrative functions within Scouting.
<b>Adviser</b>	An adult appointed in the Movement to provide advice on a particular subject.
<b>Assessor</b>	An adult appointed in the Movement to assess a particular aspect of Scouting.
<b>Co-ordinator</b>	An adult appointed in the Movement who co-ordinates activities on behalf of the line manager.
<b>Instructor</b>	An adult appointed in the Movement to provide instruction in a particular skill area.
<b>Supporter</b>	An adult appointed in the Movement who works to develop Scouting without having management responsibility for people, as defined by the role description (e.g. Assistant District Commissioner, Assistant Chief Commissioner, District Scouter, National Scouter). District Scouters and District Leaders may be appointed to support one or more Assistant District Commissioners in the execution of their role.

## Governance Roles

Charity governance is undertaken by charity trustees:

<b>Trustee</b>	An adult who is a charity trustee within Scouting (Rules 3.19b(v), 4.17f(v), Chapter 5 for Group, District, Headquarters respectively).
----------------	---

## OTHER TERMS

<b>Appointments Advisory Committee</b>	The committee appointed by the relevant Executive Committee to assist with the process of appointing adults in Scouting. This is the only mandatory Committee of a District Executive Committee (Rules 4.17f(ii)). Note: Rule 4.17c [At least one member of the Appointments Advisory Committee should be young persons between the age of 18 and 25 years old].
--	--

	Rule 2.2d [AAC must comply with Equal Opportunities Policy, both in membership and actions].
<b>Appointments Advisory Committee Panel</b>	A panel of three persons drawn from the Appointments Advisory Committee which undertakes a meeting with an applicant for an appointment in Scouting. As an expression of the intent behind Rules 4.17c, it is good practice for at least one Panel member to be between the age of 18 and 25 years old. Similarly, as well as age, a panel should have an appropriate 'equal opportunities' mix [Rule 2.2d].
<b>Appointments Chair</b>	The person appointed by the relevant Executive Committee to chair the Appointments Advisory Committee.
<b>Appointments Secretary</b>	The person appointed by the relevant Executive Committee to act as the Secretary of the appointment process.

## RULE 15.1 THE APPOINTMENT PROCESS OVERVIEW

### (a) Purpose:

The purpose of the appointment process is to ensure that all those adults that the Movement accepts as volunteers:

- i. are appropriate persons to volunteer with the Association;
- ii. are appropriate for the roles they are undertaking; and
- iii. fully accept the responsibilities of the roles and, where appropriate, the responsibilities of membership of The Scout Association.

### (b) Principles:

The appointment process must be run so that:

- i. the applicant feels welcomed and not threatened by the appointment process;
- ii. the applicant is kept informed of progress through the appointment process;
- iii. the Association has robust assurance of appointing only appropriate people; and
- iv. the applicant takes a role that is appropriate to their skills, knowledge and attitude.

### (c) Stages of Appointment:

All adult appointments pass through four stages in the appointment process:

- i. **Application:** where a line manager agrees to support an adult applying for an appointment and agrees a role description for that appointment;
- ii. **Approval:** where independent checking concludes that the applicant is suitable for an appointment and includes agreement from the relevant Commissioner or body, successful outcome of the Personal Enquiry and, where appropriate, taking up two references;
- iii. **Appointment:** where the relevant Commissioner or body makes the appointment; and
- iv. **Induction:** where the line manager ensures that the adult receives a high-quality induction (this stage starts from the application process and runs for some time after the appointment is made).

### (d) Roles in the Appointment Process:

The following roles are undertaken in the appointment process:

- i. **Line Manager:** the line manager is responsible for recommending the applicant for the appointment. The details of the appointments that each role may recommend for appointment are given in Table 2: Appointments.

- ii. **Approver:** the appointment is approved by the Appointments Advisory Committee, the relevant Executive Committee or the relevant Scout Council according to the appointment being made. The details of who may approve each appointment are given in Table 2: Appointments.
- iii. **Relevant Commissioner/Body:** the relevant Commissioner, the relevant Executive Committee or the relevant electoral body with the responsibility for making the appointment. Details of who the relevant Commissioner/body is for each role are given in Table 2: Appointments.

## THE APPOINTMENTS ADVISORY COMMITTEE

### RULE 15.2 APPOINTING THE APPOINTMENTS ADVISORY COMMITTEE

- (a) An Appointments Advisory Committee is mandatory for each District and Scout Headquarters and primarily exists to assist with the process of appointing adults in Scouting.
- (b) The following members of the Appointments Advisory Committee are appointed by a resolution of the relevant Executive Committee:
  - i. **Appointments Chair:** The Chair is appointed to lead the Appointments Advisory Committee. The Chair must not be the Chair of the relevant Executive Committee (because the Chair of the Executive Committee is involved in the resolutions of disputes involving the Appointments Advisory Committee).
  - ii. **Appointments Secretary:** The Secretary is appointed to ensure that the required administration is carried out for the Appointments Advisory Committee.
  - iii. **Appointments Members:** Sufficient members must be appointed to ensure that three members can be found to undertake the meeting with each applicant.
- (c) In appointing the members of the Appointments Advisory Committee, the Executive Committee should bear in mind the range of skills and attributes that will be required in committee members. All members of the Appointments Advisory Committee must be over 18 years old.  
Every Appointments Advisory Committee should have, as members, at least one young person between the age of 18 and 25 years old. (Rules 4.17c). Rule 2.2d must also be observed.  
Appointments Advisory Committee members are not required to have current or previous experience in Scouting.
- (d) All members of the Appointments Advisory Committee must have successfully completed a Personal Enquiry.
- (e) Districts and Scout Headquarters may choose to share an Appointments Advisory Committee so long as:
  - i. each Executive Committee involved agrees to sharing an Appointments Advisory Committee which must be recorded by resolution of each Executive Committee;
  - ii. each Executive Committee involved has an Appointments Secretary appointed to carry out the role on behalf of that Executive Committee (an individual may act as Appointments Secretary for more than one Executive Committee if agreed by the individual and the relevant Executive Committees);
  - iii. each Executive Committee involved agrees the appointment of the Chair and the other members of the Appointments Advisory Committee; and
  - iv. the Chair of the Appointments Advisory Committee is not the Chair of any Executive Committee on whose behalf the Appointments Advisory Committee acts.
- (f) Districts and Scout Headquarters may have more than one Appointments Advisory Committee

so long as:

- i. each Appointments Advisory Committee is appointed by the relevant Executive Committee according to (b) above; and
- ii. each Appointments Advisory Committee has a clearly defined responsibility for appointments (for example, by geographical area or type of appointment) which must be recorded by resolution of the relevant Executive Committee.

### **RULE 15.3 TRAINING REQUIREMENTS FOR APPOINTMENTS ADVISORY COMMITTEE MEMBERS**

- (a) The Appointments Chair, Appointments Secretary and other members of the Appointments Advisory Committee must show that they are competent to carry out this important role of checking potential new adult volunteers in the Barbados Boy Scouts Association. It is therefore mandatory that members meet certain validation criteria that are defined in the Association's adult training scheme as detailed in the Information Sheet *Adult Training Modules*. Note that for an Appointments Panel it is good practice that the Panel members are fully validated against their training obligations.
- (b) As the line manager, the Appointments Chair is responsible for ensuring that all members of the Appointments Advisory Committee have validated the required modules. The Appointments Chair, however, does not necessarily have to be the Training Adviser for the Appointments Advisory Committee members. The Appointments Chair should work closely with the National Training Commissioner to co-ordinate the allocation of appropriately skilled Training Advisers to ensure the validation of each role holder.

### **RULE 15.4 DUTIES OF THE APPOINTMENTS ADVISORY COMMITTEE**

- (a) The Appointments Advisory Committee is responsible for the following areas:
  - i. **Approval Meetings:** meeting with new adults to assess whether they are aware of and willing to uphold the values and policies of the Barbados Boy Scouts Association and whether they understand the requirements of the role and are able to carry them out (for adults new to Scouting and for change of role).
  - ii. **Appointment Reviews:** supporting the review process, considering (with the line manager) the outcome of a review.
  - iii. **Suspensions:** on request following the local suspension of an adult, recommending continuation of suspension, re-instatement, modification or cancellation of an appointment.
  - iv. **Complaints:** on request, taking part in the resolution of complaints from applicants regarding the outcome of the appointment process; and
  - v. **Cancellations:** on request, considering together with the Commissioner recommendations to end appointments and/or a person's involvement in Scouting as a result of disagreements between adults.

The details of these duties are given in the Appointments Advisory Committee support material.

### **RULE 15.5 THE APPOINTMENT PANEL MEETING**

- (a) The local Appointments Advisory Committee may agree that there are some roles or circumstances when it will not normally meet with candidates. It is expected that the Appointments Advisory Committee will normally meet with persons new to Scouting in a District or at Scout Headquarters. But Appointments Advisory Committees may, for example, choose to not normally meet with a person changing from Section Leader to Assistant Section

Leader in the same Section.

Similarly, if the Appointments Advisory Committee Panel has recently met the applicant for another appointment, the committee may decide not to meet the applicant again.

It is good governance practice for the whole Appointments Advisory Committee to discuss their implementation of local Panel arrangements, to agree their proposals with their parent Executive Committee, and to reconfirm (with updates if required) with their parent Executive Committee on an annual basis.

- (b) The decision to meet with candidates (or not) is entirely one for the Appointments Advisory Committee to make.
- (c) To balance the need for a suitably rigorous selection process and the need for a welcoming and non-threatening process, exactly three members of the Appointments Advisory Committee (the Appointments Advisory Committee Panel) will be required to determine an applicant's appropriateness for an appointment by meeting with the applicant. It is good practice for a member of the Panel to be aged under 25, and for the Panel to have an 'equal opportunities' mix of membership, including a current practitioner in a 'programme' role. Except in cases specifically agreed in advance with the Appointments Chair, a Panel meets with only one applicant at one time
- (d) In some circumstances, the Appointments Chair may allow one additional person to be present at the meeting, for example if the *Appointment Advisor Workshop* is being validated, or if the applicant needs an interpreter/signer to attend the meeting.
- (e) The line manager of the applicant is not allowed to be a member of the Appointments Advisory Committee Panel that meets the applicant, nor can the applicant's line manager be present at any such meeting (so if an interpreter/signer is required for (e) above then that role may not be undertaken by the applicant's line manager).
- (f) The Appointments Advisory Committee Panel members will assess the following areas:
  - i. **Values and Policies:** that the applicant is aware of and accepts (and by personal example is prepared to uphold and promote) the values and policies of the Barbados Boy Scouts Association – including confirming the applicant's willingness to make and live by the Scout Promise if applying for a Member role (as defined in Table 2: Appointments).
  - ii. **Role:** that the applicant understands the requirements of the role and is able and willing to carry it out.

The purpose of the Appointments Advisory Committee Panel is restricted to these two topics. The Panel meeting role does not include consideration of the outcomes of Personal Enquiry or references.

## **RULE 15.6 OTHER MATTERS FOR THE APPOINTMENTS ADVISORY COMMITTEE**

- (a) When the Appointments Advisory Committee is asked to consider or make decisions on any of the following:
  - whether to appoint when there are unsatisfactory references
  - whether to appoint when there is an unsatisfactory personal enquiry
  - the outcome following a local suspension process
  - the outcome of Appointment Reviews
  - the outcome of complaints regarding the appointment or review process,

three members of the Appointments Advisory Committee should meet to consider the issues. The Chair of the Appointments Advisory Committee is the person responsible for selecting these members, ensuring a fair and independent panel is formed. It is good practice for a

member of the Panel to be aged under 25, and for the Panel to have an 'equal opportunities' mix of membership, including a current practitioner in a 'programme' role.

## **MAKING APPOINTMENTS**

### **RULE 15.7 PERSONAL ENQUIRY**

- (a) No person aged 18 or over may be permitted to undertake any responsibilities or involvement within Scouting until the appropriate enquiries have been made. See R&R Rules 3.22, 4.20 and 5.3.
- (b) This personal enquiry may include a criminal record check – the roles that require a criminal record check are detailed in Table 2: Appointments.
- (c) An adult may not have any involvement in Scouting where a current report from an appropriate professional or statutory source suggests that the individual is not an appropriate person to hold a position in Scouting.
- (d) All reasonable practicable steps must be taken to ensure that those appointed to a role in Scouting are appropriate persons.
- (e) In all cases of doubt concerning the suitability of an individual the District or Chief Commissioner (as appropriate) and the Appointments Advisory Committee must err on the side of caution and not approve an appointment. The welfare and safety of young people must be the overriding factor.

### **RULE 15.8 AGE LIMITS**

- (a) The minimum age for all appointments is 18.
- (b) There is no maximum age for appointments, with the exception of Youth Commissioner appointments. Please see Rule 4.23d(iii) for details.

### **RULE 15.9 MEMBERSHIP OF THE MOVEMENT**

- (a) Some roles require the applicant to become a Member of the Movement (see Rules 3.1, 4.1, 5.1). These roles are indicated in Table 2: Appointments under the "Membership" column as "Member".
- (b) Some roles require the applicant to become an Associate Member of the Movement (see Rules 3.1, 4.1, 5.1). These roles are indicated in Table 2: Appointments under the "Membership" column as "Associate Member". In these cases, the applicant may choose to become a Member if they wish.
- (c) Some roles do not require Membership or Associate Membership. These roles are indicated in Table 2: Appointments under the "Membership" column as "None". In these cases, the applicant may choose to become a Member or an Associate Member if they wish.
- (d) The Appointments Advisory Committee must maintain a local process that tracks such choices to change membership status – if not recorded by the Appointments Secretary on behalf of the Appointments Advisory Committee then the membership status must be assumed to be that recorded for the role in Table 2: Appointments.

### **RULE 15.10 CHARITY TRUSTEES**

- (a) All applicants proposed (by nomination or election) for roles that carry charity trustee responsibility (see Table 2: Appointments) must be eligible to be a charity trustee. It is the

responsibility of the line manager as defined in Table 2: Appointments to ensure that the applicant is aware of and conforms to this requirement.

- (b) The roles of Chair, Treasurer and Secretary may not be held by Leaders, Managers or Supporters where that could lead to any real or potential conflict of interest within the charity or directly related charities. For example a Section Leader should not be a Group Treasurer in the same Scout Group or a District Treasurer, but could be Group Treasurer in a different Scout Group (subject to having the time and skill to undertake both roles). Note Rules 3.204d, 4.18d.

### **RULE 15.11 THE PROCEDURE FOR MAKING APPOINTMENTS**

There are three processes used in the making of appointments. The relevant process for each role is shown in Table 2: Appointments.

**Process 1:** Roles that are appointed using the Appointment Process managed by the relevant Appointments Advisory Committee

When the relevant line manager wishes to appoint any adult to a new role that is subject to the AAC process, Process 1 in the table below must take place.

**Process 2:** Roles that are appointed by the relevant Scout Council at their Annual General Meeting

When the relevant electoral body has at its AGM elected a member of the Executive Committee or agreed the nomination of a member to the Executive Committee, Process 2 in the table below must take place.

**Process 3:** Roles that are appointed by the relevant Executive Committee.

When the relevant Executive Committee has appointed a role within its authority, Process 3 in the table below must take place.

**TABLE 1: THE APPOINTMENT PROCESS**

(a) Before an application is made for an appointment, the line manager (as defined in Table 2: Appointments) must discuss the appointment with the applicant including agreement of the role description.	Yes	Yes	Yes
(b) Within 30 days of the application, election or nomination to a role, the applicant's line manager must initiate a Personal Enquiry, including a Criminal Records Check if indicated as required in Table 2: Appointments. Note that a Criminal Records Check is also required for persons who have access to records (paper or electronic) containing personal details of young persons.	Yes	Yes	Yes
(c) For all new roles, or role changes, the applicant must be made aware, by the relevant line manager, of the: a. Fundamentals of Scouting (R&R Chapter 1) b. (e) For all new roles, or role changes, the role should be added to the adult's record at Scout Headquarters. Any roles being closed should be updated at the same time. The Appointments Advisory Committee will define the local process, but normal practice will be for the line manager (or a local Administrator) to submit the completed Adult Information Amendment Form to the Committee.	Yes	Yes	Yes
(f) Three process components must then be undertaken. Each of these process components must be complete within a maximum of 6 months from the date the requisite form is submitted to the Committee. The three process elements can – and should - be undertaken in parallel with each other.

The Appointments Advisory Committee can consider this step complete when it is recorded as such at Scout Headquarters. Headquarters will, if necessary, contact the relevant Commissioner during this process.</p> <p>Until the Personal and Criminal Enquiries are complete, the applicant must not have any unsupervised access to young people (unsupervised access is defined in R&amp;R Rules 3.22c, 4.20c)</p>	Yes	Yes	Yes

Once that approval is recorded at Scout Headquarters the appointment will automatically move to Provisional status (or, if Getting Started Training is already complete, will move direct to Full status).</p> <p>If references or the AAC Panel meeting have raised any doubts about the suitability of the candidate, then the Appointments Chair should be advised by the Appointments Secretary. The Appointments Chair will consult in confidence [see Rule 15.6] with up to 2 other Appointments Advisory Committee members (and the referee(s) if required), and with the responsible Commissioner, in order to agree next steps to draw the matter to an appropriate conclusion.</p> <p>If the outcome is to not appoint then details of the reason must be recorded in the applicant's file at Scout Headquarters.</p>	Yes	No	No

(l) Working with the applicant and the appropriate Training Adviser, it is the responsibility of the line manager to ensure that the applicant meets all training obligations appropriate to the role.	Yes	Yes	Yes

### RULE 15.12 PRE-PROVISIONAL AND PROVISIONAL APPOINTMENTS

- (a) Pre-Provisional and Provisional Appointments allow an adult volunteer to start getting involved in their new role whilst completing the appointment process.  
A new role starts as a Pre-Provisional Appointment and this completes when the Appointments process is complete.  
If the Getting Started training requirements have not been completed by the time that the Appointments process is complete, then the role status will change from pre-Provisional to a Provisional Appointment.
- (b) It is required that roles reach Full status within 6 months from the start date of the role as recorded at Headquarters. It is important to achieve this 5-month goal if at all possible.
- (c) An Appointment that has not reached Full status within 6 months of role start date may be renewed only once, for a maximum of 6 months, by the District Commissioner or Chief Commissioner (as appropriate) in consultation with the relevant Appointments Advisory Committee. If at the end of the renewed Appointment period the applicant's role has still not reached Full status then the appointment must be cancelled by the District Commissioner or Chief Commissioner (or their nominee) making the appropriate note in the Record.
- (d) During the period of Provisional Appointment the relevant Getting Started training modules must be completed as detailed in Table 2: Appointments. These modules can be undertaken in parallel with the Appointment processes listed in this chapter while the appointment is at Pre-

Provisional status.

- (e) Ultimate responsibility for ensuring that the Pre-Provisional and Provisional Appointment stages are successfully completed, including ensuring that minimum safety standards are met, rests with the line manager (see Table 2: Appointments) during the Pre-Provisional and Provisional Appointment periods.

### **RULE 15.13 FULL APPOINTMENTS**

- (a) A Full Appointment will be issued when an adult has satisfactorily completed the appointment and any Getting Started processes defined in Table 2: Appointments.
- (b) An adult holding a Full Appointment may have unsupervised access to young people in accordance with the Barbados Boy Scouts Association's Child Protection Policy.
- (c) Any appointment may, in exceptional circumstances, be refused by Headquarters.

### **RULE 15.14 INDUCTION**

- (a) The person specified in the column entitled "Responsible for Induction" in Table 2: Appointments will ensure that the applicant is given a full induction into the role starting when the applicant has agreed to apply for the appointment.

### **RULE 15.15 TRAINING**

- (a) All appointed adults must undertake the training as specified in the columns headed "Getting Started" and "Training Obligations" in Table 2: Appointments. Training listed in the "Getting Started" column must be completed (recorded at Headquarters) before an appointment can move to Full status.
- (b) For those appointed adults that must complete a Wood Badge (as listed in the "Training Obligations" column of Table 2: Appointments), if it is not completed within five years of the role start date recorded at Headquarters, the appointment should be ended by the relevant District or Chief Commissioner acting together with the Appointments Advisory Committee. Where the Appointments Advisory Committee and the relevant District or Chief Commissioner agree that there are genuine extenuating circumstances that have prevented completion of the Wood Badge, further periods to total no more than two years may be allowed for the completion of the Wood Badge.
- (c) For the Wood Badge to be awarded, an up to date first aid certificate (a minimum of First Response) and a current valid Personal Enquiry (see R&R Rules 3.22, 4.20 and 5.5) must be held.
- (d) All role holders in roles requiring Initial or Initial-AM must also complete [GDPR training within 6 months of their role start date](#).
- (e) There are obligations for on-going training. These are:

**Safeguarding.** Required by all roles recorded in Table 2: Appointments as requiring an Appointment Review. Safeguarding training must be completed within 5 years of the role start date recorded at Headquarters [this initial safeguarding training will normally be undertaken as part of Initial]. Thereafter, for as long as the adult is in a role that requires an Appointment Review, the training must be undertaken again no later than 5 years after their last recorded Safeguarding training completion date recorded at Headquarters.

**Safety.** Required by all roles recorded in Table 2: Appointments as requiring an Appointments Review, together with all Trustees/Executive Member roles. Safety training must be completed

within 5 years of the role start date recorded at Headquarters [this initial safety training will normally be undertaken as part of Initial]. Thereafter, for as long as the adult is in a role that requires an Appointment Review or is a Trustee role, the training must be undertaken again no later than 5 years after their last recorded Safety training completion date recorded at Headquarters.

**First Aid.** Required by all roles recorded in Table 2: Appointments as requiring a Wood Badge. First Aid training must be completed within 3 years of the role start date recorded at Headquarters. Thereafter, for as long as the adult is in a role that requires a Wood Badge, the training must be undertaken again no later than 3 years after the last recorded First Aid training completion date recorded at Headquarters.

Note that all adults in roles (other than Trustee roles) which require an Appointment Review (see Table 2: Appointments) are encouraged to gain a first aid certificate (minimum of First Response) and then to renew it every three years.

**GDPR.** All role holders in roles requiring Initial or Initial-AM must also have completed GDPR training within 6 months of their role start date.

## **RULE 15.16 REVIEWING APPOINTMENTS**

- (a) It is good practice for line manager and role holder to hold an informal review meeting at least annually – an opportunity to mutually take stock to celebrate successes and to plan for the future. It is also an opportunity to determine if the role holder has any additional training needs (including the required on-going training) and also to agree whether another role would be more suitable.
- (b) A ‘formal’ Appointment Review normally takes place during the final 6 months of an appointment (though can be convened by either the line manager or the role holder at any time). A key outcome of this meeting will include an agreement over whether the individual’s appointment should be renewed, whether they should take on a different role, or whether they will leave Scouting. It is good practice for line manager and role holder to agree the approximate first review date at the start of a role and record that in the record at Headquarters.
- (c) The purpose of the review is therefore to determine whether:
  - i. the appointment is to continue for another period; or
  - ii. the appointment is to be ended; or
  - iii. the adult will apply for a different role.
- (d) Unless indicated differently in Table 2: Appointments, the appointee’s line manager is responsible for ensuring that the formal Review is conducted during the final 6 months of an appointment (or earlier if required by the relevant Commissioner).

Adults who are in a role carrying the obligation of a Wood Badge (see Table 2: Appointments) must hold an up to date first aid certificate (a minimum of First Response) at the time of the Review, unless the Review is within 3 years of the role start date recorded at Headquarters. Role holders must also hold current safety, safeguarding and GDPR training at the time of the Review.

These on-going training requirements must be monitored at the point of each ‘formal’ Appointment Review and action taken to quickly rectify if any are not in place at the time of the Review.

- (e) The line manager has a responsibility to ensure timely Appointment Reviews are held (see (b) above). The Appointments Secretary should support the Appointment Review process and should maintain an oversight of the Appointment Review process in the District. Roles

requiring Appointment Review are listed in Table 2: Appointments.

Line managers (unless otherwise stated in Table 2: Appointments) should schedule an Appointment Review to be held no later than the 'next review date' recorded at Headquarters [if no such date is recorded then it must take place no later than 5 years after the role start date or 5 years after the previous Appointment Review].

- (f) It is good practice to schedule the meeting 3 months in advance. However, where an earlier Appointment Review is requested (by line manager or appointment holder or the relevant Commissioner) then a shorter notice period is acceptable, though there must be at least two weeks' notice except in the most exceptional circumstances. During an Appointment Review the person carrying out the review will record the details on an [Appointment Review Form](#) (including the recommended outcome of the review) and pass the completed form to the Appointments Secretary.
- (g) The Appointments Advisory Committee (note 15.6 above) and the relevant District or Chief Commissioner together consider the completed [Appointment Review Form](#) and reach a decision on the review of the appointment.
- (h) The Appointments Secretary is informed and records the decision. The Appointment Secretary must also update the record at Headquarters appropriately (if not already updated by the line manager), including recording the date for the next Appointment Review (if required).
- (i) The following table gives details of the line manager for each appointment who will carry out the Appointment Review:

Appointment	Carry out review
Other Group appointments.	Group Scout Leader. Note that, particularly in larger Groups, the Group Scout Leader cannot realistically undertake all Appointment Reviews. Therefore, the Group Scout Leader is able to delegate appropriately within the Group's 'management team' although the conclusion of such Reviews must be agreed with the Group Scout Leader as part of the Review process.
District appointments (not reporting to the District Commissioner).	Line manager of the individual.
District appointments reporting to the District Commissioner (including Group Scout Leader).	District Commissioner.
Headquarters appointments (not reporting to the Chief Commissioner).	Line manager of the individual.
Headquarters appointments reporting to the Chief Commissioner (including District Commissioners).	Chief Commissioner.
Members of Executive Committees.	Not applicable due to annual election/nomination process at the AGM. However, it is good practice for Group/District

Appointment	Carry out review
	<p>Chair, Secretary or Treasurers to have an Appointment Review prior to nomination/ election at AGM for the fifth time, and every five years thereafter.</p> <p>Secretary and Treasurer Appointment Reviews should be undertaken by their Executive Chair.</p> <p>For good governance, Appointment Reviews for Chair Roles should not be undertaken by GSL/DC as appropriate but by District Chair/National Chair</p>

- (j) The following appointments may be held for no more than ten consecutive years: Chief Commissioner, International Commissioner, National Training Commissioner, Sectional Assistant Chief Commissioners, District Commissioner, Sectional Assistant District Commissioner. In special circumstances, extension(s) can be made to the term, but the total time in the role must be less than twelve consecutive years.

As guidance this rule should also be applied to all Commissioners and Group Scout Leaders.

- (k) On the appointment of a District Commissioner, all appointments held at District level including District Venture Scout Leaders and Group Scout Leaders will be subject to review.

The reviews must be completed within six months of the District Commissioner's appointment.

- (l) On the appointment of a Chief Commissioner, all appointments held at Headquarters level including District Commissioners will be subject to review.

The reviews must be completed within six months of the Chief Commissioner's appointment.

### **RULE 15.17 CEASING TO HOLD AN APPOINTMENT**

- (a) An appointee may resign an appointment by notifying the relevant line manager listed in Table 2: Appointments. The appointee and the line manager will agree a final date for the role and the line manager will ensure that date is recorded at Headquarters.
- (b) On ceasing to hold an appointment, in the case of satisfactory service, the line manager or the Appointments Secretary will end the appointment in the record at Headquarters.
- (c) In the case of an individual with satisfactory service who has resigned due to moving out of the country, the Appointments Secretary enters the adult's new address, if known and if agreed by the adult, in the record at Headquarters.
- (d) If the adult's service has been unsatisfactory, the record at Headquarters should be updated with full details. Alternatively, a [Suspension/Cancellation Form](#) can be completed and sent to Headquarters who will end the appointment. On receipt of the cancellation Headquarters may seek further information on the cancellation if necessary.

### **RULE 15.18 CANCELLATION OR NON-RENEWAL OF APPOINTMENTS**

- (a) The relevant Commissioner and the Appointments Advisory Committee, acting together, may end or not renew any appointment [whether appointed using process 1, 2 or 3 from Table 1: The Appointments Process in this chapter] on one or more of the following grounds:
- the appointee resigns when notified that a recommendation is to be made for the cancellation or non-renewal of the appointment

- ii. unsatisfactory outcome of a Personal Enquiry and/or Criminal Record Check
- iii. the appointment is not to be renewed following Appointment Review
- iv. the appointee has ceased or failed to perform the duties of the appointment satisfactorily
- v. it becomes evident that the appointee no longer accepts the fundamental principles of the Movement
- vi. it becomes evident that the appointee is not an appropriate person in respect of the Association's Policies and Rules
- vii. the adult has not met the training requirements of the role
  - the appointee has failed within the time limits satisfactorily to complete Adult Training appropriate to the appointment including the Getting Started and training obligations listed in Table 2: Appointments. For Trustee appointments, the appropriate Chair must be part of the decision process
  - the adult does not hold a current first aid certificate (a minimum of First Response) if they hold an appointment that requires a Wood Badge
  - the adult has not met their on-going training requirements, including safety and safeguarding. For Trustee appointments, the appropriate Chair must be part of the decision process
- viii. the appointee has or is likely to bring the name of the Association into disrepute
- ix. the appointment should be terminated following the closure of a Group, District Venture Scout Unit or a Section.

Although it is good practice to have these discussions in the framework of an Appointment Review, action may be taken without an Appointment Review where the responsible Commissioner and the responsible Commissioner's line manager agree that circumstances require it. In these cases, it is important that the role holder is advised of the reasons for the cancellation or non-renewal.

- (b) Additionally, in the case of provisional appointments, the relevant Commissioner and the Appointments Advisory Committee, acting together may end or not renew any appointment where: the appointee has failed to complete the requirements of the provisional appointment, even after an extended provisional appointment period to enable completion.
- (c) In exceptional circumstances Headquarters may, after consultation with the relevant Commissioner, end or refuse to renew an appointment. The Chief Commissioner, or nominee, must ensure that appropriate processes and responsibilities are defined, agreed and implemented at Headquarters to enable this process to be appropriately and consistently applied.

## **RULE 15.19 RESOLVING DISAGREEMENTS**

- (a) If there is a complaint from an applicant because an appointment has not been approved, the applicant may:
  - i. In the first instance, meet the Appointments Chair and another member of the Appointments Advisory Committee (preferably a member who has not been part of the approval meeting for the complainant). This meeting shall allow the complainant to explain the problem and to see if an agreeable resolution can be found.
  - ii. If the complainant is still not satisfied after Step i, the complainant may make an appeal to the Chair of the Executive Committee that is the parent body of the Appointments Advisory Committee.

The Executive Committee Chair may choose to ask a small number of members (not normally exceeding 3) of the Executive Committee (not involved in the appointment of the

individual) to investigate the issue and provide a confidential report to the Chair, whose decision is final.

Once Step ii has been completed, the complainant may not take the complaint any further.

- (b) If there is disagreement over appointment cancellation (whether or not as the outcome of an Appointment Review) the individual may only appeal against the process:

- i. In the first instance, meet the Appointments Chair and another member of the Appointments Advisory Committee. The purpose of this meeting is to allow the complainant to explain the problem regarding the process and to see if an agreeable resolution can be found.
- ii. If the complainant is still not satisfied after Step i, the complainant may make an appeal to the Chair of the Executive Committee that is the parent body of the Appointments Advisory Committee.

The Executive Committee Chair may choose to ask a small number of members (not normally exceeding 3) of the Executive Committee (not involved in the review process of the individual) to investigate the issue and provide a confidential report to the Chair, whose decision is final.

Once Step ii has been completed, the complainant may not take the complaint any further.

- (c) The Chief Commissioner, or nominee, must ensure that appropriate processes are defined, agreed and implemented at Headquarters in case of disagreements related to implementation of 7(c).

**TABLE 2: APPOINTMENTS**

**Notes:**

\* If an Executive Member [roles marked \* in the Approver column in this Table] resigns during the period between AGMs, then an Extraordinary Meeting of the relevant Council should be held to appoint a replacement, unless there is only a short period until the next AGM. This would be particularly important for continuity of Chair, Secretary or Treasurer roles.

\*\* If an Executive member has already completed Initial and it was recorded at Headquarters, then there is no obligation for them to undertake Initial-AM, although completion of Initial-AM (and recording it at Headquarters) is encouraged.
